

## AUDIT, RISK AND ASSURANCE COMMITTEE

### TERMS OF REFERENCE AND OPERATING ARRANGEMENTS 2025/26

#### 1. INTRODUCTION

- 1.2 The Trust's Standing Orders provide that *"The board may and, where directed by the Welsh Government must, appoint committees of the Trust either to undertake specific functions on the board's behalf or to provide advice and assurance to the board in the exercise of its functions. The board's commitment to openness and transparency in the conduct of all its business extends equally to the work carried out on its behalf by committees"*.
- 1.2 In line with Standing Orders, the board shall nominate annually a committee to be known as the **Audit, Risk and Assurance Committee**. The detailed terms of reference and operating arrangements set by the board in respect of this committee are set out below.
- 1.3 The board committees play an important role in supporting the board in fulfilling its responsibilities by:
- providing advice on strategic development and performance within the terms of reference;
  - undertaking scrutiny and gaining assurance on key aspects of organisational performance, and supporting achievement of the Trust's strategic goals;
  - carrying out specific responsibilities on the board's behalf; and
  - providing a forum where ideas can be explored in greater detail than board meetings are able to allow, providing time and space to consider issues in greater depth.

Regular and timely reporting and escalations to the board on the issues within the committee's remit allow for more focused discussions.

## 2. INTRODUCTION

- 2.2 The purpose of the committee is to advise and assure the board and the Accountable Officer on whether effective arrangements are in place - through the design and operation of the Trust's system of assurance - to support them in their decision taking, and in discharging their accountabilities for securing the achievement of the Trust's objectives, in accordance with the standards of good governance determined for the NHS in Wales.
- 2.3 Where appropriate, the committee will advise the board and the Accountable Officer on where, and how, its system of assurance may be strengthened and developed further.
- 2.4 The committee shall, in carrying out its functions and responsibilities, consider how their decisions secure an improvement in the quality of health services (the duty of quality) as outlined in The Health and Social Care (Quality and Engagement) (Wales) Act 2020. This includes but is not limited to ensuring the provision of high-quality, safe, and effective healthcare services that meet the needs of patients, service users, and their families.
- 2.5 The committee shall demonstrate the duty of quality through its own operating arrangements, ensuring that its processes, procedures, and decision-making mechanisms uphold the highest standards of transparency, accountability, and governance. It shall regularly review and refine its operating procedures to align with best practices and legal requirements, fostering an environment of continuous improvement. Furthermore, the committee shall monitor, assess, and report on the implementation of Health and Care Quality Standards, outcomes, and performance indicators where relevant within their remit.
- 2.6 In alignment with the Wellbeing of Future Generations (Wales) Act 2015, this committee will adopt a long-term perspective in its deliberations and decisions. The committee will consider the broader implications of its actions, particularly in relation to the three wellbeing objectives established by the

trust in order to contribute positively to the wellbeing of future generations. These objectives are: 1) being a socially responsible and inclusive employer, 2) fostering an innovative and sustainable organization, and 3) ensuring we are a proactive, accessible, and equitable care provider.

### **3. DELEGATED RESPONSIBILITIES**

- 3.1 With regard to its role in providing advice to the board, the committee will comment specifically upon:

It will also seek reports and assurances from directors and managers as appropriate, concentrating on the overarching systems of good governance, risk management and internal control, together with indicators of their effectiveness. The committee will receive assurance on the integration and effectiveness of governance structures that span the entirety of the organisation from floor to board.
- 3.4 This will be evidenced through the committee's use of effective governance and assurance arrangements to guide its work and that of the audit and assurance functions that report to it, and enable the committee to review and form an opinion on:
- (a) the comprehensiveness of assurances in meeting the board and the Accountable Officers assurance needs across the whole of the Trust's activities, both clinical and non-clinical; and
  - (b) the reliability and integrity of these assurances.
- 3.5 To achieve this, the committee's programme of work will be designed to provide assurance that:

## **Risks and Audit**

- 3.6 The committee has overall responsibility for ensuring that corporate risks are identified and are being properly managed within the Trust and that there are processes in place to address and take forward audit recommendations. Nevertheless, each risk from the corporate risk register and Board Assurance

Framework and each recommendation from the audit tracker, will be presented to an appropriate board committee who will be responsible for ensuring that the Trust is managing and progressing each item as planned. In addition, these committees will follow due process to escalate any issues to Audit, Risk and Assurance Committee for oversight, scrutiny and assurance. Regular reports will be provided to individual committees on those items for which they have responsibility for oversight and overall Trust-wide progress reports will be presented to each Audit, Risk and Assurance Committee.

- 3.7 The committee will receive assurance that management actions to address recommendations are in place via the audit tracker and receive appropriate reporting as agreed by the Audit, Risk and Assurance Committee. This committee will, where appropriate, scrutinise the impact of actions in response to audit recommendations

## **4 DELEGATED RESPONSIBILITIES**

- 4.1 The committee is authorised by the Trust Board to investigate, or have investigated, any activity within its terms of reference. In doing so, it will have the right to seek any information it requires from any employee or inspect any books, records or documents relevant to its remit, ensuring patient/client and staff confidentiality as appropriate. All employees are directed to cooperate with any reasonable request made by the committee.
- 4.2 The committee is authorised by the board to obtain outside legal or other independent professional advice and to secure the attendance of outsiders with relevant experience and expertise if it considers it necessary, in accordance with the board's procurement, budgetary and other requirements
- 4.3 The committee is authorised to approve Trust wide policies in accordance with the policy for the Review, Development and Approval of Policies.

## **Chair's Action**

- 4.4 There may, occasionally, be circumstances where decisions which would normally be made by the committee need to be taken between scheduled meetings, and it is not practicable to call a meeting of the committee. This is most likely, but not exclusively, to arise with respect to approval of policies.
- 4.5 In these circumstances, the Chair and the Lead Executive, supported by the Director of Corporate Governance/Board Secretary as appropriate, may deal with the matter on behalf of the committee after first consulting with at least two other Members (Non-Executive Directors).
- 4.6 The Director of Corporate Governance/Board Secretary must ensure that any such action is formally recorded and reported to the next meeting of the committee for consideration and ratification.

## **Access**

- 4.7 The Head of Internal Audit and the Engagement Leads/Audit Manager of External Audit shall have unrestricted and confidential access to the Chair of the committee.
- 4.8 The committee will meet with Internal and External Auditors and the nominated Local Counter Fraud Specialist without the presence of officials on at least one occasion each year.
- 4.9 The Chair of committee shall have reasonable access to Directors and other relevant senior staff.

## **Sub Committees**

- 4.10 The committee may establish sub- committees or task and finish groups to carry out on its behalf specific aspects of committee business. Formal sub-committees may only be established with the agreement of the board.

## **5. MEMBERSHIP AND QUORUM**

- 5.1 The Trust's Standing Orders at 3.3.5 and 3.3.6 provide the rules around committee membership. That includes that the designation of Chair, definition of member roles and powers and terms and conditions of appointment are determined by the board, based on the recommendation of the Trust Chair. Executive Directors and other Trust officers cannot be appointed as committee Chairs, nor should they be appointed to serve as 'members' on any Committee set up to review the exercise of functions delegated to them. They may however be 'in attendance' as appropriate.
- 5.2 The application of these provisions means that the designation of 'members' in NHS Wales committees is applied to Non-Executive Directors. This ensures there is independent scrutiny, support and challenge, and is a relevant for quorum (see below) and – where it is required – for voting.
- 5.3 Notwithstanding the above, the 'members' and 'prescribed attendees' listed below are often referred to collectively as members or membership.

### **Committee Membership**

- 5.4 The committee will comprise three Non-Executive Directors, one of whom will be designated as Chair, and the following prescribed attendees:
- Executive Director of Finance and Corporate Resources (Committee Lead)
  - Director of People
  - Executive Director of Quality and Nursing
  - Assistant Director of Operations, National Operations & Support
  - Director of Corporate Governance/Board Secretary

- Assistant Director of Corporate Governance and Risk
- Head of Internal Audit
- Local Counter Fraud Specialist
- Representative of the Auditor General
- Trade Union Partners (x2)
- Other Directors will attend as required by the committee Chair

- 5.5 In the absence of the committee Chair, one of those in attendance must be designated as Chair of the meeting.
- 5.6 The Chair of the Trust Board shall not be a member of the committee but may be invited to attend meetings.
- 5.7 The Chief Executive (Accountable Officer) will be invited to attend meetings of the committee and will attend to discuss the process for assurance that supports the Annual Governance Statement.
- 5.8 The committee Chair may extend invitations to attend committee meetings to other Directors and/or Senior Managers, and to officials from within or outside the organisation to attend all or part of the meeting to assist with its discussions on any particular matter.
- 5.9 The committee may also co-opt additional independent external members from outside the organisation to provide specialist skills, knowledge and expertise e.g. Wales Audit Office, Internal Audit
- 5.10 Members may send deputies in their absence who will act with their full authority. To instigate a substitution arrangement, the member of the Committee must notify the Director of Corporate Governance/Board Secretary before the day of the meeting that they are unable to attend and the name of the member who will attend as the substitute.

## **Quorum**

- 5.11 The quorum for meetings of the committee shall be two Non-Executive Directors.
- 5.12 While only two Non-Executive Directors are required for quorum, it is strongly recommended that all three Non-Executive Director members be present at each meeting to ensure robust discussion and effective oversight. The presence of all Non-Executive Directors is crucial for fostering diverse perspectives and maintaining rigorous challenge and scrutiny. Therefore, other Non-Executive Directors of the board may be co-opted to meetings where it is not possible for all three Non-Executive Directors to attend

## **Member Appointments**

- 5.13 The membership of the committee shall be determined by the board, based on the recommendation of the Trust Chair, taking account of the balance of skills and expertise necessary to deliver the committee's remit, and, subject to any specific requirements or directions made by the Welsh Government.
- 5.14 Non-Executive Directors shall be appointed to hold office for a period of one year at a time, (membership being reviewed by the Chairman of the board on an annual basis) up to a maximum of their term of office. During this time a member may resign or be removed by the board.
- 5.15 Terms and conditions of appointment, (including any remuneration and reimbursement) in respect of co-opted independent external members are determined by the board, based upon the recommendation of the Trust Chair and, where appropriate, on the basis of advice from the Trust's Remuneration committee.

## **6. COMMITTEE MEETINGS**

### **Secretariat and Support to Committee Members**

- 6.1 The Director of Corporate Governance/Board Secretary, on behalf of the committee Chair, shall:
- (a) arrange the provision of advice and support to committee members on any aspect related to the conduct of their role; and
  - (b) ensure the provision of a programme of organisational development for committee members, as part of the Trust's overall board development programme developed by the Director of People and Culture.

### **Frequency of Meetings**

- 6.2 Meetings shall be held no less than quarterly and otherwise as the Chair of the committee deems necessary, consistent with the Trust's annual plan of board business and calendar of meetings. Meeting agendas, papers and minutes shall be circulated no less seven days prior to each meeting.
- 6.3 The Chair of committee, External Auditor or Head of Internal Audit may request a private meeting if they consider that one is necessary.

### **Withdrawal of individuals in attendance**

- 6.4 The committee may ask any member or individual who is normally in attendance but who is not a member to withdraw to facilitate open and frank discussion of particular matters.
- 6.5 The committee may meet in private – without the presence of management – where necessary.

## **7. RELATIONSHIPS AND ACCOUNTABILITIES WITH THE BOARD AND ITS COMMITTEES/GROUPS**

- 7.1 Although the board has delegated authority to the committee for the exercise of certain functions as set out within these terms of reference, the board

retains overall responsibility and accountability for ensuring the quality and safety of healthcare for its citizens through the effective governance of the organisation.

- 7.2 The committee is directly accountable to the board for its performance in exercising the functions set out in these terms of reference.
- 7.3 The committee, through its Chair and members, shall work closely with the board's other committees, including where appropriate joint (sub) committees and groups to provide advice and assurance to the board through the:
- (a) joint planning and co-ordination of board and committee business; and
  - (b) sharing of information;

in so doing, contributing to the integration of good governance across the organisation, ensuring that all sources of assurance are incorporated into the board's overall risk and assurance arrangements.

- 7.4 The committee will consider the assurance provided through the work of the board's other committees and sub-groups to meet its responsibilities for advising the board on the adequacy of the Trust's overall framework of assurance.
- 7.5 The committee shall embed the Trust's corporate standards, priorities and requirements, e.g., equality and human rights through the conduct of its business.

## **8. REPORTING AND ASSURANCE ARRANGEMENTS**

- 8.1 The committee Chair shall:
- (a) report formally, regularly and on a timely basis to the board and the Chief Executive (Accountable Officer) on the committee's activities. This includes verbal updates on activity, the submission of committee minutes and written reports where appropriate throughout the year;

(b) bring to the board and the Chief Executive (Accountable Officer's) specific attention any significant matter under consideration by the committee; and

(c) ensure appropriate escalation arrangements are in place to alert the Trust Chair, Chief Executive (and Accountable Officer) or Chairs of other relevant committees of any urgent/critical matters that may affect the operation and/or reputation of the Trust.

8.2 The committee shall provide a written, Annual Report to the board and the Chief Executive (Accountable Officer) on its work in support of the Annual Governance Statement, specifically commenting on the adequacy of the assurance arrangements, the extent to which risk management is comprehensively embedded throughout the organisation, the integration of governance arrangements and the appropriateness of self-assessment activity against relevant standards. The report will also record the results of the committee's self-assessment and evaluation.

8.3 The board may also require the committee Chair to report upon the committee's activities at public meetings or to community partners and other stakeholders, where this is considered appropriate, e.g., where the committee's assurance role relates to a joint or shared responsibility.

8.4 The Director of Corporate Governance/Board Secretary, on behalf of the board, shall oversee a process of regular and rigorous self-assessment and evaluation of the committee's performance and operation including that of any sub-committees established. In doing so, account will be taken of the requirements set out in the NHS Wales Audit Committee Handbook.

## **9. APPLICABILITY OF STANDING ORDERS TO COMMITTEE BUSINESS**

The requirements for the conduct of business as set out in the Trust's Standing Orders are equally applicable to the operation of the committee, except in the following areas:

- Quorum (as set out in section 5)

## 10. REVIEW

These terms of reference and operating arrangements shall be reviewed at least annually but more frequently if required.
